

## Chapter Four: Bring Back the American Dream and Make It Affordable Again for Families, Young People, and Everyone

### Our Commitment:

Republicans offer a plan to make the American Dream affordable again. We commit to reducing Housing, Education, and Healthcare costs, while lowering everyday expenses, and increasing opportunities.

#### 1. Housing Affordability

To help new home buyers, Republicans will reduce mortgage rates by slashing Inflation, open limited portions of Federal Lands to allow for new home construction, promote homeownership through Tax Incentives and support for first-time buyers, and cut unnecessary Regulations that raise housing costs.

#### 2. Accessible Higher Education

To reduce the cost of Higher Education, Republicans will support the creation of additional, drastically more affordable alternatives to a traditional four-year College degree.

#### 3. Affordable Healthcare

Healthcare and prescription drug costs are out of control. Republicans will increase Transparency, promote Choice and Competition, and expand access to new Affordable Healthcare and prescription drug options. We will protect Medicare, and ensure Seniors receive the care they need without being burdened by excessive costs.

#### 4. Lower Everyday Costs

Republicans will reduce the Regulatory burden, lower Energy costs, and promote Economic Policies that drive down the cost of living and prices for everyday goods and services.
