

## Chapter Seven Cultivate Great K-12 Schools Leading to Great Jobs and Great Lives for Young People

### Our Commitment:

Republicans offer a plan to cultivate great K-12 schools, ensure safe learning environments free from political meddling, and restore Parental Rights. We commit to an Education System that empowers students, supports families, and promotes American Values. Our Education System must prepare students for successful lives and well-paying jobs.

#### 1. Great Principals and Great Teachers

Republicans will support schools that focus on Excellence and Parental Rights. We will support ending Teacher Tenure, adopting Merit pay, and allowing various publicly supported Educational models.

#### 2. Universal School Choice

Republicans believe families should be empowered to choose the best Education for their children. We support Universal School Choice in every State in America. We will expand 529 Education Savings Accounts and support Homeschooling Families equally.

#### 3. Prepare Students for Jobs and Careers

Republicans will emphasize Education to prepare students for great jobs and careers, supporting project-based learning and schools that offer meaningful work experience. We will expose politicized education models and fund proven career training programs.

#### 4. Safe, Secure, and Drug-Free Schools

Republicans will support overhauling standards on school discipline, advocate for immediate suspension of violent students, and support hardening schools to help keep violence away from our places of learning.

#### 5. Restore Parental Rights

Republicans will restore Parental Rights in Education, and enforce our Civil Rights Laws to stop schools from discriminating on the basis of Race. We trust Parents!

#### 6. Knowledge and Skills, Not CRT and Gender Indoctrination

Republicans will ensure children are taught fundamentals like Reading, History, Science, and Math, not Leftwing propaganda. We will defund schools that engage in inappropriate political indoctrination of our children using Federal Taxpayer Dollars.

#### 7. Promote Love of Country with Authentic Civics Education

Republicans will reinstate the 1776 Commission, promote Fair and Patriotic Civics Education, and veto efforts to nationalize Civics Education. We will support schools that teach America's Founding Principles and Western Civilization.

#### 8. Freedom to Pray

Republicans will champion the First Amendment Right to Pray and Read the Bible in school, and stand up to those who violate the Religious Freedoms of American students.

#### 9. Return Education to the States

The United States spends more money per pupil on Education than any other Country in the World, and yet we are at the bottom of every educational list in terms of results. We are going to close the Department of Education in Washington, D.C. and send it back to the States, where it belongs, and let the States run our educational system as it should be run. Our Great Teachers, who are so important to the future wellbeing of our Country, will be cherished and protected by the Republican Party so that they can do the job of educating our students that they so dearly want to do. It is our goal to bring Education in the United States to the highest level, one that it has never attained before!
