

CHAPTER SIX: PROTECT SENIORS

Our Commitment:

President Trump has made absolutely clear that he will not cut one penny from Medicare or Social Security. American Citizens work hard their whole lives, contributing to Social Security and Medicare. These programs are promises to our Seniors, ensuring they can live their golden years with dignity. Republicans will protect these vital programs and ensure Economic Stability. We will work with our Great Seniors, in order to allow them to be active and healthy. We commit to safeguarding the future for our Seniors and all American families.

1. Protect Social Security

Social Security is a lifeline for millions of Retirees, yet corrupt politicians have robbed Social Security to fund their pet projects. Republicans will restore Economic Stability to ensure the long-term sustainability of Social Security.

2. Strengthen Medicare

Republicans will protect Medicare's finances from being financially crushed by the Democrat plan to add tens of millions of new illegal immigrants to the rolls of Medicare. We vow to strengthen Medicare for future generations.

3. Support Active and Healthy Living

Republicans will support increased focus on Chronic Disease prevention and management, Long-Term Care, and Benefit flexibility. We will expand access to Primary Care and support Policies that help Seniors remain in their homes and maintain Financial Security.

4. Protect Care at Home for the Elderly

Republicans will shift resources back to at-home Senior Care, overturn disincentives that lead to Care Worker shortages, and support unpaid Family Caregivers through Tax Credits and reduced red tape.

5. Protect Economic Foundations for Supporting Seniors

Republicans will tackle Inflation, unleash American Energy, restore Economic Growth, and secure our Borders to preserve Social Security and Medicare funding for the next Generation and beyond. We will ensure these programs remain solvent long into the future by reversing harmful Democrat policies and unleashing a new Economic Boom.
