

8. Freedom to Pray

Republicans will champion the First Amendment Right to Pray and Read the Bible in school, and stand up to those who violate the Religious Freedoms of American students.

9. Return Education to the States

The United States spends more money per pupil on Education than any other Country in the World, and yet we are at the bottom of every educational list in terms of results. We are going to close the Department of Education in Washington, D.C. and send it back to the States, where it belongs, and let the States run our educational system as it should be run. Our Great Teachers, who are so important to the future wellbeing of our Country, will be cherished and protected by the Republican Party so that they can do the job of educating our students that they so dearly want to do. It is our goal to bring Education in the United States to the highest level, one that it has never attained before!
